NEW!

Trecepta® RIB Complete®

Yield is the story with this new 116-day Trecepta® hybrid, which finished at the top of its class in our grain research trials. It gets off to a strong start with excellent early-season vigor and carries that momentum through the season, finishing with exceptional stalk strength, lateseason integrity, and staygreen. Backed by a strong disease protection package, this hybrid helps safeguard yield from planting to harvest, making it a dependable, high-performing choice for growers who want season-long confidence and top-end results.
